Details about the conference venue to be downloaded [here](#) .

In case of any questions regarding the event, please contact: [mus@ruk.cuni.cz](mailto:mus@ruk.cuni.cz)

## PRACTICAL INFORMATION:

**How to get there:** The conference venue is located right in the historical premises of the Charles University in the historical center of Prague, 200m from the Old Town square. It can be easily reached (3-5 min walk) from **undeground - metro - station** "Mustek" (metro line B or A) or from station "Namesti Republiky" (metro line B). Link to Prague underground system is [here](#) . Prague public transportation is very safe to use and quite extensive. Tickets can be bought at vending machines or through a dedicated mobile application Litacka (more info [here](#) ). **Taxi and Uber, Bolt services** are easily available, however, entrance to the city center is restricted, so the drivers might need to drop you off somewhere close, but not directly in front of the venue.

**Parking:** Parking is extremely limited in the historic Karolinum and is only possible with prior approval from the security agency, for example, in cases of health limitations. We recommend using the parking facilities at Kotva Department Store (undergoing renovation but operational) or at Palladium Shopping Center, both accessible from Revolucni street.

**Accommodation:** Should you need recommendations for accommodation, we will be happy to provide recommendations and assistance according to your preferences.

**Catering:** Lunch and light refreshments will be provided during coffee breaks. Please inform us of any dietary restrictions or special requirements you might have.

**Luggage storage and cloakroom:** There is a luggage storage and a cloak room at the venue.

**Wifi:** The whole venue area is covered by a University Wifi signal.
