# CONFERENCES & SEMINARS

---

One of the ways for Charles University to **support** and **develop** interuniversity studies is to organize **conferences, seminars, and meetings** for both internal and external audience. The main goal of these activities is to **exchange expertise and experience** gained in implementing and developing joint study programmes and cotutelle studies at Charles University.

**Past events:**

Building Excellence in International Joint Study Programmes: Focus on the Czech Republic, May 2024  
( [Report](#) )

Cotutelle Studies Development at CU, December 2023  
( [Report in CZ](#) )
